Can you believe four weeks of games have gone by? New teams are starting to gel together and existing teams are fine-tuning their tactics and execution. Reminder to everyone to properly warm up before games— jogging and stretching are essential.

This past Sunday, SFWFFL took a field trip to watch the San Francisco 49ers take on the Arizona Cardinals at Levi's Stadium. Niners lost, but a good time was had by all. Thank you to Katie Sowers and Alex Rodriguez for arranging the outing!

FRIENDLY REMINDER:

San Francisco Womxn's Flag Football League: "We're a rad flag football league in SF open to women, trans and all gender non-conforming folks!" Being trans-inclusive means never assuming someone is cisgender and always sharing your pronouns and asking for others' pronouns. (ie. the impetus should not be on the transperson, and it shouldn't be reactive, corrective after using the wrong pronoun.) Suggestions for gender neutral language on the field: "I got that player" or "I got that person." BTPU is sewing pronoun patches on their jerseys. Mass order can happen if people want to order! \$2 each.
